## FROM our family to YOURS

When Bob Beall opened his first restaurant and created LED0 Pizza® in 1955, his goal was simple: to provide high-quality food at a great value in a comfortable family atmosphere. Now our dedicated franchise partners carry on the LED0 tradition from the unique LED0 Pizza® homemade sauce, thick-cut pepperoni and distinctive cheese.

Unlike many operations, the LED0 franchise partners are families from your area. They strive to be involved in local and community activities. There are many ingredients to our success: the famous distinctive pizza, the generous portions, our committed franchise family and their staff. But you, our customer, are the most important ingredient to our success.
